## **Chronological History:**

Date	Type	User	Activity Status
12/09/2014	File Update - Open Case	Alex Wykoff	
<b>Comments:</b>	Reviewed proposal and plans. Site visit and photos. Continuing review and comments.		
12/11/2014	File Update - Comments	Alex Wykoff	
<b>Comments:</b>	Additional site visit and staff discussion. Decision and comments to the applicant pending.		
12/15/2014	File Update - Comments	Alex Wykoff	
<b>Comments:</b>	Spoke to the architect who was inquiring a status. I advised it is pending and requested he send me language used in the past for trash enclosure construction that has been deferred.		
12/16/2014	File Update - Comments	Alex Wykoff	
<b>Comments:</b>	DONNELLY prepared the comments which I reviewed. Will await follow up from the architect. Architect has yet to provide language concerning required enclosure construction upon vacancy of the building, should Apple receive a waiver.		
01/28/2015	File Update - Comments	Alex Wykoff	
<b>Comments:</b>	Received additional comments and reviewed a draft of language to replace the enclosure when Apple vacates the site. Plans were approved and routed back to the applicant architect. Project Planner SCHROEDER was given an update of our approval.
